CAN WE HELP YOU?

The steps for controlling Covid 19 will mean changes for everyone. Good neighbours can make things much easier.

- Could you help your neighbours?
- Could your neighbours help you?
- Have you exchanged telephone numbers with neighbours?

Under Government advice some people will be facing a lengthy period of social isolation. This may be a very lonely time with practical problems to deal with too.

Family, friends and neighbours can help by keeping in telephone contact, but this isn't an option for everybody.

If you would like someone to telephone you regularly over the weeks ahead, whether you want help with shopping or just want to chat, please let us know by calling one of the numbers below. Your contact details will only be passed on to a parish councillor or a trusted volunteer:
