

Kirton & Falkenham Village Hall Safeguarding Policy

1. Purpose

Safeguarding and promoting the welfare of children and adults at risk from abuse or neglect.

This policy defines how Kirton and Falkenham Village Hall operates to safeguard children, young people, and adults at risk of abuse or neglect.

We have a duty of care and are committed to the protection and safety of everyone who enters our premises including children, young people and adults at risk involved as visitors and/or as participants in all activities and events. We also have a duty to safeguard and support our trustees, volunteers, and staff.

2. Definitions

Children and young people are defined as those persons aged under 18 years old. This policy will apply to all staff, contractors and volunteers and will be used to support their work.

Safeguarding and promoting the welfare of children is defined as:

- protecting children from maltreatment
- preventing impairment of children's health and development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes.

Adult at risk of abuse or neglect

For the purposes of this policy, adult at risk refers to someone over 18 years old who, according to Section 42 of the Care Act 2014:

- has care and support needs
- is experiencing, or is at risk of, abuse or neglect
- as a result of their care and support needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

If someone has care and support needs but is not currently receiving care or support from a health or care service, they may still be an adult at risk.

Persons affected

- All trustees, volunteers, and staff.
- All those attending any activity or service that is being delivered from the village hall charity property.
- All visitors and contractors.

3. Policy principles

There can be no excuses for not taking all reasonable action to protect children and adults at risk from abuse or neglect. All citizens of the United Kingdom have their rights enshrined within the Human Rights Act 1998. People who are eligible to receive health and community

care services may be additionally vulnerable to the violation of these rights by reason of disability, impairment, age, or illness.

Kirton and Falkenham Village Hall charity has a zero-tolerance approach to abuse.

Kirton and Falkenham Village Hall charity recognises that under the Care Act 2014, it has a duty for the care and protection of adults who are at risk of abuse. It also recognises its responsibilities for the safety and care of children under the Children Act 1989 and 2004.

Kirton and Falkenham Village Hall charity is committed to promoting wellbeing, harm prevention and to responding effectively if concerns are raised.

Kirton and Falkenham Village Hall charity is aware of the work of their local safeguarding Board/Partnership and other support organisations on the development and implementation of procedures for the protection of children and adults at risk. The policy is about stopping abuse where it is happening and preventing abuse where there is a risk that it may occur.

Kirton and Falkenham Village Hall Committee is committed to the following principles:

- The welfare of the child, young person or adult at risk is paramount.
- All children, young people and adults at risk have the right to protection from abuse.
- Safeguarding is everyone's responsibility: for services to be effective each professional and organisation should play their full part; and
- All suspicions and allegations of abuse must be properly reported to the relevant internal and external authorities and dealt with swiftly and appropriately.

4. Procedures

A. All members of the committee will sign the Declaration of Acceptance of Office for trustees which includes a declaration that they have no convictions in relation to abuse.

B. All members of the committee will familiarise themselves with safeguarding responsibilities, undertake training where appropriate on safeguarding issues including whistleblowing where it is available and offered by their local safeguarding board/partnership or other local support organisation **and** ensure that they understand the principles set out in this policy at 3 above.

An allegation may relate to a person who works with children or adults at risk who has:

- Behaved in a way that has harmed a child or adult at risk or may have harmed a child or adult at risk.
- Possibly committed a criminal offence against, or related to, a child or adult at risk; or
- Behaved towards a child (or children) or adult at risk in a way that indicates they may pose a risk of harm to children or adults at risk.
